**REQUEST FOR ACKNOWLEDGEMENT OF PRIORITY DOCUMENT**

SIR:

Our records show that a claim for priority under 35 U.S.C. §119 was made in the declaration filed with the patent application, and perfected by submission of a certified copy of UK application no. 0106547.3 on May 8, 2002.

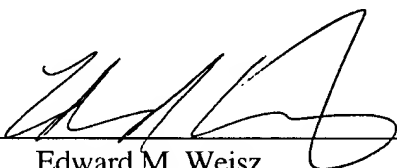

According to the office action mailed on March 20, 2003, the certified copy of the priority document was not received. A copy of the cover letter, which bears a mailing certificate, and the first two pages of the priority document are submitted herewith. Also enclosed, as *prima facie* evidence that the priority document was received by the patent office, is a copy of the postcard receipt indicating receipt by the PTO on May 21, 2002.

Pursuant to the provisions of 37 CFR §1.8(b)(3), the undersigned Edward M. Weisz hereby attests to this personal knowledge that the priority document was duly mailed as indicated on the mailing certificate.

In view of the evidence that the priority document was duly mailed and received by the patent office, acknowledgement of said receipt is hereby requested.

Respectfully submitted,

COHEN, PONTANI, LIEBERMAN & PAVANE
